Financial Aid Information & Application

About Marlboro (pre)College Financial Aid

A limited number of scholarships for the program fee are available. Aid is awarded based on 1) the financial needs of the family, 2) the commitment of the student, 3) the enrollment needs of the program, and 4) the resources available in the financial aid fund. The following guidelines may help you think about whether to apply. If other criteria (listed above) are met:

- Students eligible for free lunch may be eligible for an up to 75% scholarship (family pays $250).
- Students eligible for reduced price lunch may be eligible for an up to 50% scholarship (family pays $475).
- Other students may be eligible for a discount depending on family circumstance. Given the limited amount of funding for scholarships, most families receiving aid will make less than $60,000 annually.

NOTE: Relatives of Marlboro alumni, past summer (pre)college participants, Windham County residents and some other select groups are eligible for an automatic 10% discount (family pays $855). You do not need to complete the financial aid form to receive the 10% discount if you are a member of one of the eligible groups.

Participants will not be considered for financial aid until the program application, financial aid application and all supporting documents have been received by the Marlboro non degree program office. Once all materials have been received, financial aid applications will be received on a first-come, first-serve basis, so you are encouraged to get materials in as early as possible.

Families will be notified of the amount of financial aid granted in an email with an attached invoice. The family will have two weeks from the time of the email to pay a 25% deposit. Any outstanding balance must be paid May 31, 2013 unless arrangements have been made with Marlboro for a payment plan.
