RETURNING STUDENT DORM PREFERENCE FORM
FOR STUDENTS WITHOUT AN ASSIGNMENT FROM HOUSING SELECTION 2012-2013

The office of housing and residential life provides the *Returning Student Dorm Preference* form to students who paid the enrollment deposit by the deadline but did not select housing during the housing selection process, or paid their enrollment deposit after the deadline and wish to live on campus. Please note that housing for students who deposited late is not guaranteed. Students **must return the completed form by Thursday, December 13th**. A review of all requests will begin December 15th, with the majority of assignments completed during winter break.

Preference will be given to those students who paid the enrollment deposit by the deadline based on the priority system found in the *Marlboro College Bylaws, Article VII,* C. Late enrollment deposits will be process after all students who paid their enrollment deposit by the deadline are housed, and based on the priority system found in the *Marlboro College Bylaws, Article VII,* C. Students who choose not to return this form by the deadline will be randomly assigned to an available space in a room with another upper-class student after assignments are made for those students who returned the *Returning Student Dorm Preference* form.

Students may submit this form with other students to request a roommate or roommates. While we will attempt to maintain these pairings, in some cases we may not be able to honor such requests due to limited space. Some students may be randomly assigned to an available space in a room with another upper-class student, either based on the information provided or as space is available. Those students who wish to change rooms may complete a request starting on the first day of classes. **Notification of your new assignment will be sent to you via your Marlboro e-mail address.**
