MARLBORO COLLEGE
REQUEST TO PREVENT DISCLOSURE OF FERPA DIRECTORY INFORMATION
2019-2020 Academic Year

The items listed below are designated as "Directory Information" and may be released at the discretion of Marlboro College. Under the provisions of the Family Educational Rights and Privacy Act of 1974, as amended (FERPA), you have the right to withhold the disclosure of Directory Information, which is defined as follows:

- Name
- Local and permanent address & telephone numbers
- Academic status: full-time, half-time or less than half-time
- E-mail address
- Dates of attendance
- Academic class standing (e.g. freshman, sophomore, etc.)
- Plan of Concentration (major area of study)
- Expected date of graduation
- Previous institution(s) attended
- Degree(s) conferred including dates and any honors or awards
- Photographs and digital images

Under the Act, currently enrolled students have the right to request that Directory Information not be disclosed. **To withhold disclosure of Directory Information, written notification must be received in the Registrar's Office no later than the final date for course registration each semester. If this form is not received in the Registrar's Office by the final published deadline (see expanded academic calendar for deadline) it will be assumed that all Directory Information may be disclosed for the remainder of the current academic year.** Forms requesting the withholding of Directory Information are available outside the Registrar's Office.

Students should consider very carefully the consequences of any decision to withhold Directory Information. Should a student decide to inform the College not to release his or her Directory Information, requests for such information from non-institutional persons or organizations (including friends and relatives) will be refused. Also note that a request to withhold Directory Information during the Senior (or last) year that a student is in attendance at the College prevents the student from being listed in the Commencement Programs and remains in effect thereafter unless rescinded by the (ex-)student in writing.

Marlboro College assumes approval for disclosure when students do not specifically request that directory information be withheld by the stated deadline. Questions and concerns about the Privacy Act, directory information or issues of confidentiality should be addressed to the Registrar or the Director of Advising.

Please mark the appropriate box and affix your signature below to indicate your request that Marlboro College <u>not</u> disclose Directory Information as noted above.
