As a self-governing community, Marlboro values community input into the development of group norms and agreements. Accordingly, the Assistant Director and Resident Assistants will lead a group expectations setting meeting at the start of each session. Participants will be expected to abide by all norms and agreements created by the group.

Additionally, the following rules will be strictly enforced. I (print student name) ______________________ agree to:

• not leave the supervision of program leaders without their permission
• while in the dormitory or campground, interact with other participants (aside from roommates / tent mates) in common areas only, and abide by program quiet and “lights-out” hours
• forgo possession and/or consumption of any alcohol, un-prescribed drugs or illegal substances, smoking paraphernalia, drug paraphernalia, weapons, firearms or explosive of any kind for the duration of the program
• give, upon arrival, all cell phones or devices that allow internet access to Marlboro staff for safe keeping; forgo use of cell phones and devices that allow internet access while enrolled in the programs (items will be returned to students upon departure)
• accept the fact that some program activities (e.g. hiking) inherently involve some risk and that they will conduct themselves safely and accept the risk involved
• give permission to Marlboro to use photographs, film, video or student work, in addition to written evaluations, in promotional, documentary and other educational publications

I understand that any violation of these standards and expectations, or of those established by the group during orientation, may result in disciplinary action that may include dismissal, at the discretion of the Non-Degree Programs Director, with no refund of tuition and at my family’s expense.
